The topic presented is relevant to the conference and can contribute to a worthwhile discussion and feedback session from other delegates and participants.

I'd like to know aside from \$450 for the conference, will there be any charge for publication or if I want the hard copy of published journal? If yes, could you please make a written statement/email or link on how much it's going to cost me? I need this info for the Uni that I represent...

Thank you.

Best Regards,
