For your personal and article's promotion, we recommend you upload your paper on IDEAS, SSRN, ResearchGate etc., for improvement the citation and for possibility to find potential co-authors and readers for your future publications.

We encourage you to share information about the published paper with your colleagues (via e-mail or share article in Twitter and LinkedIn). You may send out press releases to local media, and publish internal newsletters. It's a good idea to post information about preliminary calculations and research at figshare <https://figshare.com/>

We highly recommend you create a Publons, ResearcherID, ORCID, and complete them, that helps you to promote yourself as an author and a reviewer, also helps to find potential co-authors and readers for your publications, gives more experience on editorship.

You can read more how to promote your paper here: <https://businessperspectives.org/article-promotion>

Please, pay attention that you are obliged to indicate weblink to the journal.

We will be grateful for your help in promoting your article and our journal in general at your university and through other possible communication channels.

Wish you all the best!

With kind regards,

Katerina
