Stats

Average Perplexity Score: 118.667

A document's perplexity is a measurement of the randomness of the text

Burstiness Score: 77.718

A document's burstiness is a measurement of the variation in perplexity

Your sentence with the highest perplexity, "Eventhough online shopping is on the rise, Greater Jakartans still prefer physical transactions.", has a perplexity of: 388

ABSTRACT

Purpose – This study aims to determine the factors that influence customer purchase decision in offline store of Greater Jakarta citizen.

Design/methodology/Approach – This research uses quantitative research with 7Ps variables: product, price, place, people, promotion, process and physical evidence to identify the factors influences offline purchase decision. The survey using questionnaire with non-probability sampling which is purposive sampling made by using Google Form as a tool and distributed to people who live in Greater Jakarta that collected 400 respondents. To determine the influences each independent variable to dependent variable, this research using multiple analysis regression.

Findings – This research finds that there are five variables significantly influences to customer purchase decision. There are price, promotion, people, process and physical evidence who have significantly influence and proven as factors to influence people in Greater Jakarta to buy in-stores. In addition, product and place not significantly influence to customer purchase decision, therefore that variables can't prove as factors to influence on customer purchase decision.

Originality Value – This study contributes to understanding people to know what factors which influences on Greater Jakarta customer purchase decision to buy in-store as a part of study in retail business.

Keywords – Retail business, Retail Marketing Mix, 7Ps, Offline Purchase Decision, Greater Jakarta

ACKNOWLEDGEMENT

To begin with, I would like to express my gratitude to Allah SWT, who has given me blessing and guided me to complete this Skripsi. In this section, I would like to I would like to express my deepest appreciation as a form of gratitude for all the support that has been given and has helped in the completion of this thesis:

1. I would like to say thank you to my lovely parents, Susilo Hutomo and Sutrimi, who have support me wholeheartedly in my education from beginning until the end.
2. To my little brother sister, Alvindo Wijaya Hutomo and Shahinaz Aurora Hutomo who have support me and being motivated in my life.
3. A special thanks to Dr. Ir. Farida Komalasari, M.Si. who has guiding me and support me to completing the skripsi until the end. Thank you for being consist, committed, detailed, which will help me step by step so that I can finish this thesis well.
4. Special appreciations to my Academic advisor, Roy Poan, B.Sc. MBM. Thank you for being has my parent in university supporting, guiding, and help me while I do my education journey in President University.
5. For my all lectures in President University that I can't mention one by one, I would like to say deeply thank you for precious lessons that could help my future career path.
6. To my close friend and partner Fawwaz Aqil, I would like to thank you for your supporting and help while I do my skripsi from beginning until end.
7. Not forget to say thank you to my fellow university mates especially in Halal Group that I can't mention one by one. For every support, laughs, tears, memorizes and friendship that we shared and feel in our education journey.
8. Lastly, I would like to say deeply thank you to my self for strength and patient in every journey of life.

Thank you.
