Solidaritas Perempuan (SP) sebagai organisasi yang fokus pada isu buruh migran perempuan dan dalam hal ini solidaritas perempuan turut memperkuat hak-hak buruh migran khususnya perempuan. Solidaritas Perempuan aktif mendorong kebijakan perlindungan buruh migran, termasuk dengan jaringan perjuangan buruh migran, khususnya buruh perempuan. Dalam memperjuangkan hak buruh migran, Solidaritas Perempuan juga memberikan pendampingan pada kasus-kasus pelanggaran hak yang dialami.

Penelitian ini bertujuan untuk mengetahui peran Lembaga Solidaritas Perempuan dalam perlindungan buruh migran perempuan. Dalam penulisan tesis ini penulis merumuskan pertanyaan dalam mengembangkan penelitian, seperti Apa saja faktor penghambat sebagai salahsatu hal yang dapat mempengaruhi Lembaga Solidaritas Perempuan (SP) dalam melindungi danmemberdayakan perempuan pekerja migran?. Teknik yang digunakan dalam pengumpulan data adalah observasi, wawancara, dan beberapa jurnal di google.

Selain rumusan masalah di atas, penulis juga menggunakan teori LSM dan Hak Asasi Manusia dalam memperkuat penelitiannya. tidak hanya itu, dengan adanya teori ini juga diharapkan dapat lebih memperjelas topik tersebut.

Hasil kajian menunjukkan bahwa pendampingan yang diberikan Lembaga Solidaritas Perempuan kepada buruh migran perempuan merupakan salah satu proses perlindungan dalam memberikan fasilitas untuk membantu korban agar dapat memenuhi kembali hak-haknya, hal ini dapat dilihat bersama dari proses pendampingan yang diberikan oleh Lembaga Solidaritas Perempuan. Lembaga Solidaritas baik kasus melalui litigasi maupun non litigasi maupun kebijakan menjadi penghubung sumber daya sosial pendukung.

Perlindungan yang dilakukan di Lembaga Solidaritas Perempuan yang biasa disebut penguatan ini melahirkan benih-benih yang secara langsung dapat ikut membantu para korban buruh migran perempuan dari pengalaman mereka sebelumnya ketika menangani kasusnya.

ABSTRACT

Solidaritas Perempuan (SP) as an organization whose focus is on the issue of women migrant workers and in this case women's solidarity has also strengthened the rights of migrant workers, especially women. *Solidaritas Perempuan* actively promotes policies to protect migrant workers, including with the network to fight for migrant workers, especially women workers. In fighting for the rights of migrant workers, *Solidaritas Perempuan* also provides assistance in cases of rights violations experienced.

This study aims to determine the role played by the Women's Solidarity Institution in protecting women migrant workers. In writing this thesis the author formulated questions in developing the research, such *What are the inhibiting factors as one of the things that can influence the Solidaritas Perempuan (SP) Institution in protecting and empowering women migrant workers?*. The techniques used in data collection are observation, interviews, and several journals on google.

Apart from the formulation of the problem above, the author also uses the theory of NGOs and Human Rights in strengthening his research. not only that, with this theory it is also hoped that it can further clarify the topic.

The results of the study indicate that the assistance provided by the Women's Solidarity Institute to female migrant workers is one of the protection processes in providing facilities to help victims to fulfill their rights again, this can be seen together from the mentoring process provided by the Women's Solidarity Institute both cases through litigation and non-litigation as well as policies become links to supporting social resources.

The protection carried out at the Women's Solidarity Institution, which is usually called strengthening, creates seeds that can directly participate in helping victims of female migrant workers from their previous experience when handling their cases.

Key Words : Role, Protection, *Solidaritas Perempuan*, Migrant Workers, Women, Women's Rights.
